

Fountain Valley Educational Foundation

“Moving our students from good to great.”

“Dedicated to improving the quality of public education within the Fountain Valley School District by raising funds from the private sector which directly benefit our local schools”

Over \$953,000 has been raised since 1982 by the Fountain Valley Educational Foundation to benefit all students of the FVSD. Some of the programs that have received funding are:

- Computer Software
- Curriculum Material Lab
- Music Program K-5th grades
- Audio Visual Equipment
- Hands-on Science Materials
- Middle School Performing Arts
- Instrumental Music 4th-8th grades
- Physical Education
- Math, Reading & History Materials
- \$342,383 in Teacher Grants since 1982

With statewide budget cuts, our schools are more dependent than ever on outside support to maintain the high level of educational programs that are vital to our children’s success. We desperately need your help to save existing programs in danger of being eliminated.
